**Re: AGI Holdings Merger with Trident Maritime Systems**

Dear Customers and Suppliers,

Trident Maritime Systems is pleased to announce our forthcoming merger with AGI Holdings LLC.

Having worked together side by side for many years, AGI Holdings and Trident Maritime Systems will join forces to provide a comprehensive network of integrated services that will better serve our customers worldwide. Together, we will continue to provide our customers the exceptional service and high-quality products that you have come to expect from us.

Effective January 3, 2023, we will be known collectively as Trident Maritime Systems.

I assure you this integration will not affect our contractual obligations to our customers, and we will continue to comply with all relevant regulations. Your team will continue to work with the same site personnel.

We remain committed to make this integration process as smooth as possible for our customers and vendors. As always, thank you to you, our valued customers and suppliers for your continued support and we look forward to an exciting and prosperous future.

We will keep you updated on our progress as we undertake this transition.

Yours sincerely,
